

## MAISTO & NEW-RAY

We've all got a dream ride, and unless we've got mega bucks or major double mortgages, some of those real big dreams will probably never come true. Maisto and New-Ray scale models help keep the dream alive with a full selection of new and vintage bikes for kids of any age.

## FIELDSHEER

The Track Paddock II textile jacket from Fieldsheer is all-new for 2007, and perhaps the best feature is the fully removable Thermo Pilot liner that can be worn as a separate jacket. Available in men's and women's sizing and color options, this holiday pick retails for \$179.95.

## TWENTY20

Meghan knows that you've been naughty, she caught it on her Twenty20 helmet cam! The new Twenty20 camera, with its revolutionary high resolution CMOS image sensor, delivers a vivid, rich and fast-paced video. With a 20-hour battery life, a one-year warranty and a low \$249.99 price, this tiny technical wonder is a sure seller.
